Presidents Report.

I don't know about you, but I am so ready for the spring to hit us, and then into summer would be great. If your Corvette is not ready for all the good times, then give our sponsor a call and get the oil changed and have it serviced for the road. Emich has Corvette technicians to help you out with this process.

I am looking forward to another road trip, or a car show or just the get together with club members for a lunch or a dinner. I looked back at some of my pictures and have one of a trip to Mid-America and on to the Corvette Museum.

If you are not seeing a trip that you are interested in, then let someone on the social committee know what you are interested in doing or help set it up.

Remember, we are celebrating our 50th anniversary this summer, and we should make the best of it, and display our 50th logo for the club on your Corvette.

Save the wave!!!

Vice President's Report—March, 2023

Submitted by Kathy Hall

What an exciting time for our Club – just had successful Potluck and got to meet our new sponsor MIKE JENDREAS FROM EMICH CHERVOLET and he announced SEPTEMBER 9TH be the date for EMICH CORVETTE CAR SHOW of which we shall provide some manpower for parking cars, entrance/exit control, registration, handouts, cooking and just general whatever's needed to make this show a success. At present, Bill Hall and Phil Barnes have volunteered to head up the committee. EMICH provides free food – hot dogs, hamburgers, buns, condiments, drinks and all the awards plus does all the announcements for show. We are anticipating more fun summer events with EMICH as they reserve Bandimere Raceway – 2 times and High Plains Raceway 2 times. The START of great relationship for all.

Looking forward to our road trip to southern New Mexico with guidance from Larry Cook. Going to Las Vegas, NM for one night and touring Blue Hole - Aliens in Roswell and spending 2nd & 3rd nights in Carlsbad, NM. We have an open day to see Carlsbad Caverns, Carlsbad Caverns National Park, Living Desert Zoo & Gardens State Park and then leave for White Sands National Park Dunes for day. We then drive to Socorro, NM for 2 nights and visit Trinity site where the first atomic explosion was set off in 1945. Also tour the Very Large Array – VLA – radio telescope facility. The FUN of these road trips is breakfast, lunch and dinner together – talking and more talking about cars and/or life in general – this is how we get to know more about each other and find our common interests and experiences.

Bill and I are signed up for the Concours, Gering, Georgetown, and Sterling and our 50th Anniversary Celebration! We hope you participate in as many events as you can and enjoy your car, friends and this gorgeous state we call home. Can hardly wait for tulips and springtime to arrive. It will be fun mowing the grass and washing the vet – sure!!!! Be safe – Be Happy – Join In - Kathy

Minutes of Meeting, 1 March 2023

The meeting was held at the Forney Museum of Transportation, 4303 Brighton Blvd., Denver CO

The meeting was called to order at 7:31 pm MST, by President Dick Thompson. 29 member clubs were signed in. Officers present were President Dick Thompson, 1st Vice President Tom Mansfield, 2nd Vice President Calvin Craig, Treasurer Samantha Baker, and Secretary Richard Fritz.

Leo Boyle reported that no bills at the Colorado legislature appear to affect collector cars, either negatively or positively. Senate Bill 23-097 ("Motor Vehicle Theft and Unauthorized Use") deals with the increasing car theft in Colorado and approves increasing consequences for perpetrators, including making it a felony for any value of stolen vehicle. It is expected that there will be a bill dealing with catalytic converter theft but that has not happened yet.

Freedom to Drive (FTD): We have been advised that the FTD organization has ceased to exist due to lack of funding support from car dealers. FTD was to counter local regulations that limited use of private automobiles on public roads. The increased use of regulations rather than legislative laws in municipalities is becoming more common and these were coming from environmental groups.

Minutes: The minutes of the February CCCC meeting were approved as published.

27 member clubs have renewed for 2023, plus one Associate and one Individual.

2023 RMMA (Jeffco) Airport Show: Dick Thompson asked that clubs include the August 5th event in their club's calendar of events. If a club wants to be featured in the car show, contact Dick Thompson at 303-929-5533. We need to have more sponsors; Hagerty is no longer sponsoring events such as the Airport Show.

Concours d'Elegance: The June 4th Concours in Littleton will feature evolution of the automobile with decades of vehicles grouped together. CCCC is urged to promote the show but no one from CCCC has volunteered to coordinate our participation. Dick Thompson will advise the concours co-chairman Tom Scott that he cannot be

the point person and individual clubs may be contacted. Cars with "patina" are acceptable. For more details, contact Scott at 303-819-0101 or Tomlynns@aol.com.

Forney Museum Dust & Shine events: Contact for scheduling D&S dates for clubs is Gary Canady at 303-264-9953 or 303-632-8727. July 15 and August 19 are still open for a club event.

Tri-State Car Show (March 11-12): CCCC will have a booth at this event at the National Western Exhibit Hall and we have volunteers to help out.

Club events:

May 5: Lincoln Tech Show – 11194 E. 45th Ave. Denver CO 80239
May 20: Denver Roadsters Swap Meet at Bert's Ford, 2767 Tejon St. Englewood
June 3: All Ford Pre War Swap Meet, Arapahoe Co Historical Museum, 9601 Henderson Rd. Brighton
June 10: Pharoah's Car Show – The Shops at Northfield, 8340 Northfield Blvd., Denver
June 11: Veteran's Appreciation Car Chow – 3141 Centennial Blvd.,
June 14-17: Rocky Mountain Mustang Roundup, Cripple Creek and PPIR

Next Meeting: April 5, 7:30 MDT at the Falcon Police Station in Colorado Springs.
Location: 7850 Goddard St. off Interstate 25 at Exit 150.

Adjournment: The meeting was adjourned at 8:30 pm.

Respectfully submitted, Richard Fritz, secretary.

A charity fundraising event for Ability Connection Colorado, Early Childhood Education

The Evolution of the Automobile

The theme for the 2023 Colorado Concours event will be "The Evolution of the Automobile" and the plan is to display a broad variety of automobiles beginning with an early Ford Model T, and other antiques of that period. There will be 8 to 10 cars of various makes and models for each decade, e.g., 1900-1919, 1920-1929, 1930-1939, etc. through 1999, with a total of 80 to 90 cars. The 'Evolution' cars will be in addition to the customary display of 350 sports cars.

We are soliciting and encouraging collector car clubs and individual owners to bring their cars for the special Evolution display.

A typical decade group could include:

1930-1939 2 General Motors, 2 Ford, 1 Packard, 1 Hudson, 1 Studebaker, 1 Duesenberg, 1 Other Classic.

The 2022 Colorado Concours event featured 350 entrants and raised over \$75,000 for the charity. There will be a \$50.00 entrant fee per car, which includes 2 entry passes and 1 event program guide. Spectators pay \$10.00 per person at the entrance gate. Evolution owners should observe the registration cut-off date of May 13. Registrations on the day of the event cannot be accommodated. Reservation will be accepted on a first come, first served basis until a decade group is filled. Entrants will receive complete information and instructions no later than May 29 and are encouraged to arrive at the site between 6:30 and 8:00 am. Trailer parking will be available, and the Evolution entrants will not be judged.

Sponsorship donation and vendor information will be available from:
