Newsletter Editor—Chris Dale

President's Report,

I want to take time to recognize someone that is one of our unsung heroes of the club. That is Chris Dale, she is the backbone of the newsletter that she puts out each month for us to keep up on our club. This is a lot of work, and we don't give her enough thanks for the time and effort she puts into this task.

So, a big thank you to you Chris for all you do for us. So, if you know her, here she is at the club ice cream social this year. Next time you see her at a club event, thank her.

It is at that time of the year that a new board and maybe committee chairs are coming up. I have taken on the role of nomination chair, and I am asking for volunteers to fill open positions. If you have not served in one of these positions, it is time to step up and help the club. We can always use fresh and new ideas to help us be a better club with new excitement to lead us into the future.

Save the Wave!!

Vice President's Report

NOVEMBER 2023 REPORT

It's that time of year that we start thinking about new officers. The present Board have all served two years; therefore, all positions need to be replaced. I thought a recap of duties of each office would be helpful.

PRESIDENT – presides over all club meetings and officers' meetings and with help of other club officers and input from members, makes decisions concerning the daily operation of the club plus the future direction of the club. President also represents the club at various meetings and functions as necessary or appropriate. Also, the President writes a monthly article for Reflections.

VICE PRESIDENT – performs duties of President in his/her absence and assists President in the performance of his/her duties. Conducts the past events presentation at business meetings. Vice President also helps procure cost effective liability insurance policies. He/she will assist the Treasurer with timely payments of all policy premiums. The Vice President also writes a monthly article for Reflections.

SECRETARY – keeps the minutes of all business and officers' meetings – makes sure minutes sent to Reflections editor by 15th of the month for publication - orders name badges for new/old members – sends get well cards and bereavement condolences and/or memorial contributions to club members.

TREASURER – collects and documents dues from all members, monies made from car shows or received from sponsors and deposits these in club bank accounts. Also sends out tardy dues reminders, performing all banking issues, filing Federal and Colorado reporting forms and retaining tax exemption. The Treasurer should attend "Vettes on the Rockies" and is responsible for collection of monies, bank deposits and ensuring that the Event Committee has a cash "bank roll" throughout the entire event.

PUBLIC RELATIONS – promotes a positive image of the club at most car shows and initiates involvement in community affairs, makes media contact and handles advertising for special events – presents events at monthly business and officer's meetings.

Following the club election in February, incoming officers should attend the February Board meeting and discuss the new budget to be approved by the current Board and the presented to membership for approval at March meeting by the new Board after they are sworn in.

Hopeful that clarifies the offices and causes discussion for those volunteering for these important positions.

There will be no Business Meeting in December.

Next event the LGCA CHRISTMAS PARTY – to be held SATURDAY, DECEMBER 2ND

THE CLUB AT ROLLING HILLS – 15707 W. 26th AVE, GOLDEN, CO 80401 FROM 6:00PM TO 10:00PM

APPETIZERS PASSED FROM 6:00PM TO 6:30PM – FULL CASH BAR

BUFFET MEAL \$71.00 PER PERSON

Hoping as many come as able as such a nice event and starts the holiday season for everyone.

Wishing all a very HAPPY THANKSGIVING AND GREAT TRAVELS AHEAD

Kathy

LOOKING GLASS CORVETTE BUSINESS MEETING

November 7, 2023

President Joe Parker called the Meeting to order at 7:00 P.M. Officers present were Joe Parker, president, Kathy Hall, vice-president, Sandy Seader secretary, and Bob Burroughs, public relations. Bob Chelle, treasurer was absent.

Membership Committee: Susan Wozniak No new guest/ New Members

Public Relations Officer: Bob Burroughs has not been able to hand out any business cards since most corvette people have put their cars away for the winter. No new car shows are scheduled until next year.

Treasurer: Bob Chelle was absent but did prepare the club's financials for the year to date. Please see documents on your tables.

Secretary: Sandy Seader, reported if I have order name tags for any new or old members, please see me after the meeting. Great job Judy and the social committee for the outstanding potluck this evening.

Vice President: Kathy Hall read the birthdays for November. Kathy Hall also spoke about the Fall Color Trip. There were 11 cars that attended, and the group was led by Gil and Carol Folsom. While at the visitor center on Monarch Pass Gil showed the members a book he wrote regarding camping in Colorado. Gil was able to give everyone great information about the area they were traveling through on the trip.

President: Joe Parker spoke about email blasts and said that he wanted to apologize if the last email blast regarding the Franks had upset any of the members and that if it had that was not the club's intention. Sometimes in the interest of getting information out to our members it gets lost that some information is shared too soon. Members should also remember that all email blasts need to be approved by him before they go out, and that we should not inundate Donna Weller with emails, texts asking for information to be sent out before its approved.

Social Committee: Judy Nielsen spoke about the Adams Mystery Playhouse and what a good time everyone had. She said the characters used LGCA in their skit throughout the night and that made it special.

*11-11-23 still time to sign up for the Chili Cookoff

*12-02-23 Christmas Dinner at Rolling Hill Country Club

Currently The Social Committee is beginning to plan events for 2024.

Car Shows: Phil Barnes reported on the following car shows:

*11-11-23 Car Show at Heroes Pizza on East Dartmouth.

Phil Barnes said he was not going to report anything until April 2024.

CCCC: Tom Mansfield reported that the Car Council met last week and there was talk about legislation concerning the emissions of older classic vehicles.

Parades: No Report

NCM Ambassador: No report

Refreshments: Sandi Robben nothing to report.

New Business: Joe Parker mentioned the next Board Meeting will be November 21, 2023, at 10:00 A.M. Joe Parker said the Board is thinking about purchasing a Lap Top Computer for the Club's Treasurer to use so it would be easier to pass the clubs' financials from one club treasurer to another.

Old Business: Nothing to report.

The meeting was adjourned at 7:40 P.M.

Minutes of 1 November 2023 Meeting

Meeting was held at the Colorado Automobile Dealers Association (CADA) headquarters building, 290 E. Speer Blvd., Denver Colorado.

The meeting was called to order at 7:31 pm MDT by President Dick Thompson. 18 individuals were signed in, representing 23 member clubs and two individual members. Officers present were President Dick Thompson, 1st Vice President Tom Mansfield, 2nd Vice President Calvin Craig, and Secretary Dick Fritz. Treasurer Samantha Baker was unable to attend.

Minutes for the October meeting were accepted as published.

Treasurer's Report: There was no Treasurer's Report as the treasurer could not attend. The board is still working on details of the 2024 budgets which will be presented at the December meeting. The financial details in the CCCC budget should not be published in club newsletters.

Legislation and Regulations: Leo Boyle reported that he has been attending legislative interim committee study sessions in which legislators discuss potential actions to remedy Colorado's Air Quality violation of EPA's ozone standard. The primary target is the oil and gas industry but motor vehicles may be targeted in future deliberations, and Leo noted that the emission testing exemptions for horseless carriage and collector series-plated may be included. Legislators have suggested that some of California's restrictions on ICE vehicles right to travel and ZEV promotion be implemented in Colorado. Leo will be watching for anti-vehicle bills in the 2024 session.

Nominations for 2024 officers: Nominations were opened, but no new nominations were made. The current officers were elected by acclamation to continue in office for 2024.

Airport Show 2024: The format for the Airport Show is now well established but we still need someone to take over from Dick Thompson. Dick can mentor a volunteer and has a schedule of duties and details of when things need to be done. Details include contact individuals for sponsors and vendors.

Proposed Car Show Competition: Preliminary responses from clubs indicate that clubs need more details. More responses from clubs are urged.

Club Assessments: All member clubs pay the same annual dues since each club has equal voting rights but the assessment for legislative representation is based on club membership. That assessment has been \$4/membership for several years and it was proposed that this be increased to \$5/membership in 2024. Although this could bolster the usual shortfall in the Legislative Account, this may be a hardship for some clubs and past history has shown that memberships reported drop when the figure goes up. We are asking for feedback from clubs be reported at the December meeting.

Forney Museum Dust n' Shine Events: Jay Thomas reported that the following months in 2024 are not yet requested: January, March, April, June, July, August, October. If you want to schedule your club for one of these months, give her a call at 720-252-6798. Forney has requested that club member volunteers **NOT show up before 9:30**. The events are always on the third Saturday of the month.

Friends of Collector Cars PAC: Ted Rossi has offered to attend club meetings to explain the objectives of the FOCC PAC. His phone number is 303-618-3935. The PAC is independent of the CCCC accounts.

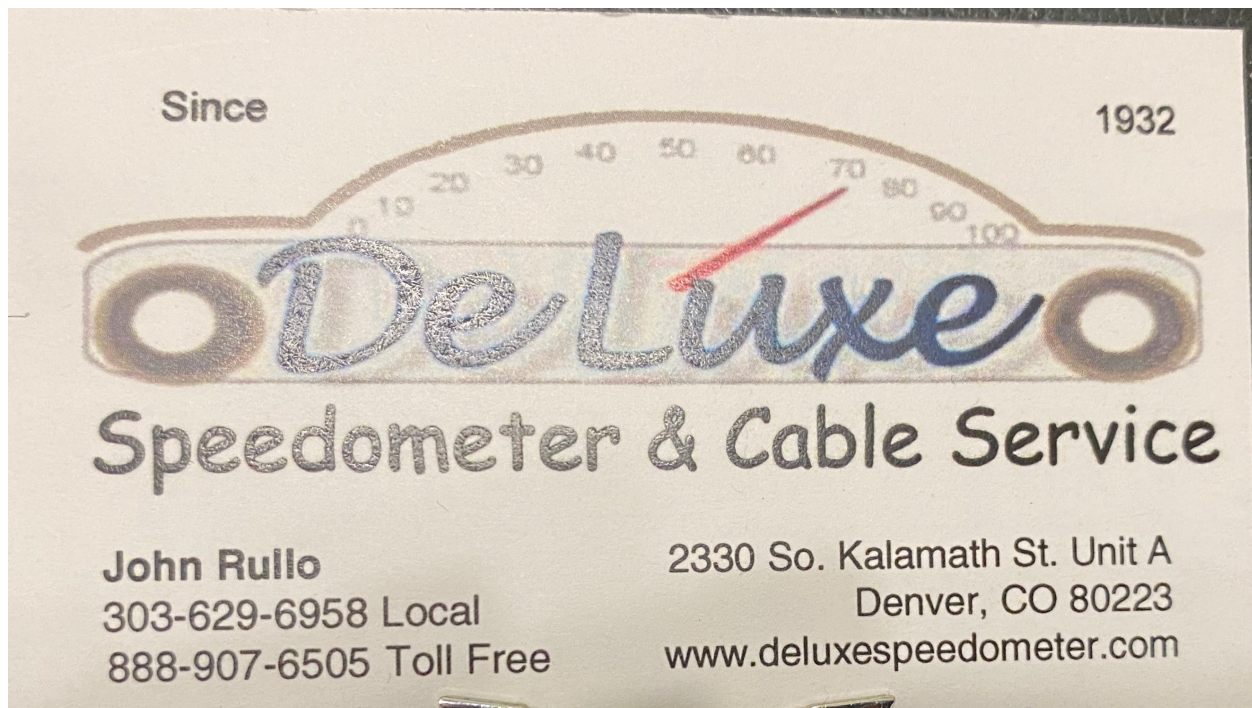

Next Meeting: Wednesday, December 6, 2023, 7:30 pm MST at the Forney Transportation Museum, 4303 Brighton Blvd., Denver CO

Adjournment: The meeting was adjourned at 8:40 pm.

Respectfully submitted, Richard Fritz, CCCC secretary
