Presidents Report,

Finally, the weather is turning to Corvette time. I am sooo ready for the change, and to get together at club gatherings, and see everyone out with their cars.

Speaking of gatherings, we are looking forward to seeing new and old friends at the club's 50th Anniversary celebration. If you have not marked your calendar, do it today. August 5th and 6th, 2023. It will be a two day event, look it up on the website and get signed up for this very exciting time in the clubs history.

Don't be afraid to reach out to old club members and invite them to come to the event. Will be fun to see people that have left and/or moved on in their life to our things. A lot of good memories from a lot of past events comes to mind.

Hope you can participate in a lot of the planned events leading up to the 50th celebration, it is always good to get the cars out and drive to events.

See you all soon,

Save the Wave!!

VICE PRESIDENT KATHY HALL REPORT APRIL 2023

Finally it's April and have enjoyed a few 80 degree days and looking forward to really having nice weather – took our corvette to the CSU Spur Campus for the self-guided tour and would definitely return for a guided tour and would have lunch at the Blue Moon or Stockyard Bar and Grill !

The only other news I have to report is the RESIGNATION OF BEN SCHAFER FROM THE SOCIAL COMMITTEE AND ALSO FROM LGCA. Ben and Rose joined LGCA in 2008 with a 1997 white coupe and he now has a 2009 silver coupe. Ben and Rose were married 49 years until her death in 2009. They have 2 sons and 5 grandchildren. Ben is busy with his HOA and the grandkids and at 82 years old that's enough. **Ben loves to get cards and would appreciate your kind words and memories of his efforts with LGCA.** For many years, Ben spent many hours on the details of his events and went the extra mile to make any event an enjoyable success for us all.

We will miss him and his jokes and hope he will attend the 50th parties. We wish him only the best in the days to come.

Subject: LGCA Membership

I regret to inform you that I have decided to withdraw my membership of the Looking Glass Corvette Association. I hereby relinquish all rights, responsibilities and privileges as a Looking Glass Corvette Association Club Member, effective Friday, April 14, 2023.

I will meet with the club to discuss my handover of my current social committee responsibilities and social committee supplies for a smooth transition and streamlining existing social activities and events. Please feel free to call me at (303)426-7923 if you should need to speak with me.

It has been a pleasure being a member of the club and serving on the Social Committee. I have enjoyed working with my fellow volunteers and helping to make the clubs social activities and events fun and enjoyable.

I feel blessed to have worked with, and come to know, each member of the club. I will cherish our friendships always. Thank you for a wonderful fifteen years.

Save the wave.

Sincerely,

Ben H. Schafer

Minutes from April 5, 2023

Meeting was held at the Colorado Springs Falcon Police Station starting at 7:35 allow for any late arrivals due to the snowy weather.

Leo Boyle did not attend so we did not get a legislative report.

Minutes were accepted for the March meeting.

Treasurer Budget report was accepted. Which included Federal taxes paid in the amount of \$1,388 and Colo State taxes paid in the amount of \$274.00

Dick Thompson spoke at length about the CCCC Car Show and swap meet at Rocky Mtn Metro Airport on August 5th:

Viet Nam Helicopters will be showing their copter; there will be a large tent (20x20) that will have tables and chairs for attendees to use for eating food and to get out of the sun; the car show will have advertising on two radio stations and Advertising in the 'SCOOP'; The Colorado State patrol will have four vintage cars attending; there will be a display of vintage motorcycles; Also a display of vintage campers.

The next discussion had to do with the Concours d' Elegance on June 4th. Dick stated that he will not be contacting clubs to encourage participation in the "Evolution of the Automobile" portion of the show. Instead, Tom Scott of Concours d' Elegance will be contacting the CCCC

representative for each club to ask for people to bring their cars to the "Evolution of the Automobile". The First Vice President, 2nd Vice President and a couple of club representatives brought up that most likely they would not have club members participating due to the high cost of admission, \$50 per car, and that there would be no judging or awards for the participating cars. The consensus was that the club cars would gain nothing for their time and appearance and it would cost them \$50 to bring a car.

Next on the list was the CCCC being the featured club for April at Gateway Classic Cars, 14150 Grasslands Dr, unit A, Englewood, CO. The show date is April 29th at 8:00 am. Coffee and donuts will be served to the drivers of the cars. CCCC receives \$10 for each car that attends, up to 20 cars maximum for the payout. There is no limit on how many cars can represent the CCCC. So, this is a good donation to the club coffers.

Gary Canady who has been organizing the Dust and Shine events at the Forney Museum, is no longer doing this due to health issues. Forney is looking for a new person to take over for Gary. This is a volunteer position. Also, for Forney, they will be featuring vintage firetrucks with the help of the Hook & Ladder Club.

The Lincoln Technical College is holding their annual show on May 5th in their parking lots from 9am to 4pm. Dick is needing a couple more volunteers to help Calvin and Samantha hand out flyers at the show for our own Car Show & Swap Meet on Aug 5th.

It was brought up in the meeting that the Wall Street Journal had an article about the Rambler Ranch out in Kiowa, with a very positive review.

Meeting was adjourned at 8:15 since all business had been covered and none of the attendees wanted to discuss anything else so they could get out and head home in the snowstorm that was going on in Colorado Springs.

The Evolution of the Automobile

The theme for the 2023 Colorado Concours event will be "The Evolution of the Automobile" and the plan is to display a broad variety of automobiles beginning with an early Ford Model T, and other antiques of that period. There will be 8 to 10 cars of various makes and models for each decade, e.g., 1900-1919, 1920-1929, 1930-1939, etc. through 1999, with a total of 80 to 90 cars. The 'Evolution' cars will be in addition to the customary display of 350 sports cars.

We are soliciting and encouraging collector car clubs and individual owners to bring their cars for the special Evolution display.

A typical decade group could include:

1930-1939 2 General Motors, 2 Ford, 1 Packard, 1 Hudson, 1 Studebaker, 1 Duesenberg, 1 Other Classic.

The 2022 Colorado Concours event featured 350 entrants and raised over \$75,000 for the charity. There will be a \$50.00 entrant fee per car, which includes 2 entry passes and 1 event program guide. Spectators pay \$10.00 per person at the entrance gate. Evolution owners should observe the registration cut-off date of May 13. Registrations on the day of the event cannot be accommodated. Reservation will be accepted on a first come, first served basis until a decade group is filled. Entrants will receive complete information and instructions no later than May 29 and are encouraged to arrive at the site between 6:30 and 8:00 am. Trailer parking will be available, and the Evolution entrants will not be judged.

Sponsorship donation and vendor information will be available from:
