Presidents Report,

The months of June and July have been very busy with a lot of things to do. Here are a couple of photos from the last two car shows we traveled to. Both were a lot of fun, and the club got special recognition at the Flatlanders car show, for your 50th years celebration of our club.

These small towns really go all out for their local car clubs and put on a great show. The clubs really enjoy that we make it to their events. If you have not traveled to some of these, you are missing a great time. There are more scheduled for this year, put them or one of them on your schedule.

Don't forget all the work that the social committee is doing for other events for us to attend. Most of all, the 50th party is coming up soon. See everyone there!!

Save the save!

VICE PRESIDENT KATHY HALL'S REPORT JULY 2023

Finally, it seems summer has appeared to stay awhile. We are dealing with hail damage – roof – car – fence – furniture covers – tent for truck – swimming pool cover and pool cleaner!!!! Very pleased at State Farm's response time – the adjuster that came was from Arizona to aid in a tremendous number of properties damaged – was given 90 cases. Now the waiting time begins for contractors.

We feel blessed to be able to go to Georgetown Parade and to Sterling without hail damage. Georgetown Parade is in an old town small community that loves to keep traditions alive. Most of the houses are decorated for the 4th of July and most of the townspeople wear patriotic shirts. Our group dresses up to the occasion and a great attitude is shared by all. We had breakfast at 8:30 am at the Happy Cooker that opened in 1974 - had VIP menus for us with several choices for breakfast and we are the only customers until 10:00 am. LGCA staging is convenient to restaurant and to hotel restrooms and in off-road area so can mingle and decorate cars and this time waited out the rain and then the wiping/cleaning cycle done safely. It was noted that when rain began again near end of parade that those cars that can put top up with push of button caused quite an interest in crowd and perhaps, we should synchronize open/close on parade route.... After the parade there was a Charity Barbecue for \$10 a plate, Jeffco Brass Band performed and lastly fireworks. Thanks to Bobbi and George Garrison for the great event.

The Colorado Flatlanders Car club celebrated their 31st annual rod run in Pioneer Park on Friday, July 2 through Sunday July 5th. We had a leisure 2-hour drive together and then had lunch in Sterling and went on to Holiday Inn Express to unload and relax before going to the Meet and Greet, then free chicken fried steak dinner at Korf Continental car dealership. We had 17 cars and were given a reserved parking area together. Before dinner we were able to register for the next day's event. Saturday we were in Pioneer Park from 8am-4pm. Again, we had a special reserved area for our corvettes- enjoyed the shade and even more enjoyed my jacket as barely 60 degrees – so different from the high 90s usually endure. Had duck races and water balloon tosses and general gab fests together. Had 3:00 pm drawing for various prizes. The winners were Bobbi Garrison, Doris Barnes, Sandy Seader, x3, Phil Barnes, Linda Stevenson, Donna Weller, Tom Nutz, and Shirley Salazar. Sunday had a Poker Run that ended at Pioneer Park where awards were announced, and more prizes were given away. The winners were Joe Parker, Bill Hall, Sandy Seader and Roger Cozens- congratulations! We were recognized for the size of our group and also for accomplishing 50 years anniversary. A metal flag was given to President Joe Parker by the Flatlanders Club. We all left smiling and pleased had such a nice week-end together. Most of us made reservations for next year already. These trips enable us to renew friendships and create new ones and also talk cars and most importantly sit in our PICO folding chairs....we cause a stir when all seated in circle and really should have had a contest of fastest time opening or closing chairs – it's a skill..

**WE CELEBRATE OUR 50TH ANNIVERSARY ON AUGUST 5TH FROM 4:00-7:00PM
AT: CHARTERED FINANCIAL RESOURCES' MEMORY LANE**
