President's Report,

Well, autumn is upon us, which we don't get to see much of in Colorado. The leaves have been beautiful, and it won't be much longer we will have piles of leaves to clean up before it snows.

Seems like this summer has just flown by, and it was hard to get in all the Corvette events but was able to get in as many as possible. Never enough for me but must work also.

It is almost time to put the cars away for most of the winter. If you need service work before you do that, take your LGCA card to our sponsor, Emich Chevrolet, and show them your card to get a discount on the work you need done.

This photo is the recognition we as a club received for the Flatlanders Car Club of Sterling. They gave it to us and it now resides in the club's museum. I am not sure everyone got to see this, so the next time you go to the ice cream social, go upstairs and see it hanging on the wall.

Save the wave!

VICE PRESIDENT KATHY HALL OCTOBER 2023 REPORT

The LGCA Fall Colors Road Trip was full of great colors, great friends, great meals and great views...October 5th – Thursday found us at Safeway parking lot in Conifer – not easy to find but once there- had bathrooms and hot coffee. We had 11 cars making a rainbow of colors ourselves and certainly were noticed on the road. We went to Fairplay for our first stop and then on to Buena Vista for lunch at Roosters Crow Café- they were delighted to see us and of course the cars were looked over – great food and warm hospitality very appreciated. Some decided to tour downtown and do the river walk; others decided to go on to Salida to hotel and/or walk downtown and also a river walk in Salida. We had a group dinner at Fiesta Mexicana Restaurant – the margaritas were gigantic! The next morning – Friday – enjoyed breakfast at the Comfort Inn together and then off to Monarch Mountain Visitor Center. The views of Aspens were glorious, and we had very little traffic to slow us down – perfect corvette travel! As we were studying the map in the Monarch visitors center – the author of the book “Colorado Campgrounds” spoke to us and clarified the map for us—our own Gil Folsom – he signed several copies for us and continued to share tidbits of his travels on our journey.

Friday nite spent at the Elevation Hotel in Crested Butte – rooms were gorgeous and ample space. At first, we thought a dog convention was going on but later learned all dogs welcome and there were a lot strolling around inside hotel. We walked around town in the afternoon as the weather was too nice to be inside and looked forward to our group dinner at Jose’s in our hotel – nice not to have to drive somewhere as all tired. Next morning, we split up for breakfast and touring. Some had breakfast at hotel then on to Cottonwood Pass to Buena Vista; others returned to Roosters Crow Café in Buena Vista for terrific breakfast of French toast, biscuits and gravy. We all enjoyed the ride back home and were ever grateful to Judy Nielsen for coordinating this trip. Hopefully can do it again next year as forests were so colorful and travel weather perfect.

It's important to enjoy not only your cars but friends too and there is no better way than a road trip. We look forward to spring and see what adventures the social committee has planned for us! Stay Safe - Kathy
