Presidents Report,

The 50th Anniversary Party was fantastic. Thanks go out to Judy Nielsen and Cindy Lombard and the rest of the Social Committee, great job! I think it was a great success and for me a lot of fun. Got to see a lot of folks I have not seen for a long time.

This was a great weekend, although the weather on Sunday could have been a lot better. Was a little chilly for a picnic but was a good time for all.

The food was great, and thanks goes out for the banquet, the location was good, and the accommodations was fantastic.

It was a lot of work for a lot of people, so thank you to everyone that helped. Now, we can focus on the rest of the summer fun that is on the books.

If you missed the event, you missed a good time.

Save the Wave!!

VICE PRESIDENT KATHY HALL REPORT AUGUST 2023

My goodness summer has gone by so quickly! Just seems we hardly had many days without thunder, lightening or hail...just attended the Scotchmen's Car Show and wore a sweater all day as barely made 73 degrees and cloudy all day. We had the 50th celebration on a hot Saturday with little breeze and then Sunday for picnic was quite cool and overcast. Hoping for great weather on September 9th for our 1st LGCA EMICH ANNUAL CORVETTE SHOW. Will be first time we've been involved with the planning and execution of the show and we are hoping to make it our yearly event now that EMICH is our sponsor.

Gates open at 8am but those of us working the event should be there by 7am so we can get parked and ready for the public. We shall have moved a few cars/trucks from the parking area on Friday night and we plan on designated areas for our club and also the different classes of corvettes. It's been fun planning with Phil Barnes, Bill Hall and Kathy Nemeth-Kellett from Down the Road Corvettes.

We shall have coffee and donut holes first thing. There will be door prize drawings throughout the morning and lunch will be served from 11:00-12:00 or so...hot dogs, hamburgers and chips with a drink. We have workers for parking, coffee, registration, cooks, beverages, ice, raffle tickets, prizes, garbage and cleanup. We are deeply appreciative of all who contribute to the success of this show. It takes a few of us to put on a good event and it's fun to anticipate how everyone attending will enjoy themselves but many hands sure made it most enjoyable for all – please work the event and contribute to its success by attending. REMEMBER SATURDAY SEPTEMBER 9TH BY 7AM...

Minutes of 2 August 2023 Meeting

Meeting was held at the Forney Museum of Transportation, 4303 Brighton Blvd., Denver CO.

The meeting was called to order at 7:31 pm MDT by President Dick Thompson. 28 member clubs and two independent members were signed in. Officers present were President Dick Thompson, 1st Vice President Tom Mansfield, 2nd Vice President Calvin Craig, Secretary Dick Fritz, and Treasurer Samantha Baker.

Legislative: Leo Boyle reported that there is to be a legislative hearing on August 25th to discuss actions that might be taken in response to the EPA declaring that the Denver Metro area is in serious violation of the ozone air quality standard. Leo will attend the hearing just to hear what proposals might be put forward and appear as new bills in the 2024 legislature. He cautioned that certain exclusions granted to collector plated vehicles might be removed. At this point, we can only wait and see.

Minutes were accepted for the July-in -the-rain meeting. The secretary noted that there have been communication problems between computers (his and individual representative's) and sometimes the mail (email) doesn't go through. We're working on it.

CCCC RMMA (Airport) Car Show and Swap Meet (August 5): Dick Thompson reported that he received a last-minute request from the Airport to provide volunteers to ride along on the people-transporter bringing spectators / buyers from the parking lots to the gate at the show area. So we are trying to find more volunteers. The move in times for vendors, show cars, and spectators were reviewed. Workers will be at the airport on Friday to set up fencing and spaces for the swap meet. The CCCC trailer will be stationed at the spectator sign in gate and it will be moved to the Forney for storage after the event.

Treasurer's Report: Samantha Baker reported that as of the end of July we had the following account balances:

Operating Account:	-\$281.56
Govt. Relations:	-\$846.00
Swap Meet & Car Show:	<u>-\$328.22</u>
Total, all 2023 Accounts:	-\$1455.78
Reserve Account:	<u>\$33337.57</u>
Total:	\$31881.79

The Treasurer's Report was approved as presented.

Camp Fund-raiser: Camp Wapiyapi is a camp run by Childrens Hospital for children with incurable illnesses. Tom Mansfield reported that they will be holding a benefit concert on Saturday August 26 at the Shindig Bar and Kitchen at 9360 Station St. in Lone Tree. There also is a donation link: <https://gofundme/7bed3a35>.

Donated Rolls-Royce: Dick Thompson received a call from the Clear The Air Foundation (car dealers group) about a 1975 Rolls Royce that was donated (abandoned at a dealer) and they hoped someone would undertake rebuilding it. We already have a taker for it. Sorry.

SEMA Show passes: John Ehrlich is still waiting to hear from Colby Martin of SEMA about whether or not or how many complimentary passes will be available for the November show in LasVegas.

Guest Speaker: Our very own Dick Thompson is willing to attend club meetings as a guest speaker to talk about the Council and the state of the collector car hobby. No charge, like FREE.

Next Meeting: The September meeting will be held at Gateway Classic Cars, 14150 Grasslands Drive, Englewood Colorado. **This meeting will be on Thursday, 7 August.** The change of date from Wednesday to Thursday is necessitated because Gateway has another event on Wednesday.

Adjournment: 8:23 pm MDT.
