After discussion it was determined by the Board, Joe Parker would send out another email blast regarding the poll and at the next Business Meeting membership will discuss for 30 minutes the pros and cons of VOTR. At the October Business we would ask for membership to write down if they would support VOTR if it was at a closer location such as Fraiser or Breckenridge, or if they would support VOTR if it was in Steamboat Springs.

The other topic Joe Parker wanted to discuss was, there were 30 people who signed up for the picnic and didn't show up, this caused a lot of leftover food. The Club paid for it, and it was roughly \$900.00 that the club wouldn't have had to spend. Joe Parker said that he was going to talk to the membership about this issue again.
