Presidents Report.

Well, the weather is finally changing, so we can get our cars out and enjoy some events, and it was a nice day for a car show. This was a big show for so early in the car show season, 600 plus.

It is always a good day to travel to a car show with club members and get a nice sunburn going for the day. Lot of people looking and asking questions about the cars.

I enjoy talking to people about cars, especially Corvettes. Lot of interest in them for use.

Just in case you have not heard, we lost a dear friend this last week, Ron Walker passed. He is going to be missed a lot. Ron enjoyed his Corvette, and really liked his new C8.

Don't forget our club big 50th Anniversary party coming up in August. Reach out to some of our past members to give them an invitation to come and enjoy the two-day event with us. It is going to be a really good time.

Save the Wave!!

VICE PRESIDENT'S MAY REPORT 2023

Will the sun ever shine and will the rain ever quit? Just so saddened by Ron Walker's death on 12th and awaiting word on his funeral – what a gentleman and hero he was...he attended last month's meeting and we all could see how much he was struggling but so valiant. Also appreciated his picture at last men's breakfast posted on Facebook – a reminder to all that all our social events are memories we create and share together.

May 6th Joe Parker, Sandy Seader, the Halls, and Glen Murray attended the Lincoln Tech Show – nice crowd and nice warm day to be outside.

May 18th Men's Breakfast

May 20th Day Trip to Perry Park and lunch Rosie's Diner

May 23rd Ladies Luncheon at Lazy Dog

May 23rd Emich's Bandimere Night

June 6th Pizza Party and Potluck before business meeting

Our roster is growing – Dan and Marcia Francis are now members again – George and Bobbi Garrison introduced their son Bryson and wife to club and Bruce Campbell was introduced. Exciting to get potential new members!

Sandy Seader has a few current directories and membership cards for those not at last meeting.

The sun will shine again and the rain will quit – but our fellowship cements the LGCA community – so attend as many events as possible.

Minutes of May 3, 2023 Meeting

Meeting was held at the Forney Museum of Transportation, 4303 Brighton Blvd., Denver CO.

The meeting was called to order at 7:31 pm MDT by President Dick Thompson. 22 member clubs and one independent member were signed in. Jim Beetham, a member of the Saab and Mercedes Benz clubs among others was in attendance. Officers present were President Dick Thompson, 1st Vice President Tom Mansfield, 2nd Vice President Calvin Craig, Secretary Dick Fritz, and Treasurer Samantha Baker.

Minutes were accepted for the April meeting.

Meeting room charges: The Forney Museum has requested that rent for the meeting room be increased to \$150. After discussion, acceptance was moved, seconded, and passed unanimously. By a motion in 2022 half of our meetings are to be at the Forney. Other venues are without charges but are only used occasionally and are not centrally located.

Legislative: Leo Boyle reported that the current legislative session must wrap up everything by Monday, May 8th, as that is the 120th day of the session. The only bill which may affect collector vehicles is House Bill 1294 which calls for a study of the atmospheric ozone problem in the Denver area, in response to the EPA designation as being in serious violation of the ozone standard. The emission test exemption for collector vehicles built before 1976 could be examined but current focus is more directed at the oil & gas industry.

Concours d'Elegance & Exotic Car Show: June 4th at Arapahoe Community College. Event co-chairman Tom Scott may be contacting individual clubs to seek entrants and broaden the event's appeal.

CCCC RMMA (Airport) Car Show and Swap Meet (August 5): Dick Thomson reported that we are renting two canopy tents to provide shade. He answered an internet inquiry about why entrants are charged \$10 by explaining the numerous costs to put on the show. He noted that clubs can put on a show within show by arranging a designated area for their cars.

Forney Museum Dust 'n Shine events. Jay Thomas, phone 720-252-6798 is the contact individual for clubs to schedule D'S events. Several months are still available. Great club activity.

Gateway Classic Cars Caffeine & Chrome: The April 29th event featured CCCC and 30 cars were there to represent the Council. Many thanks!

More events: 6 May: Lincoln Tech Car Show. 13 May: Coy's Bandimere Swap Meet.; 10 June: MOPAR / Hudson Auction at Sonef's Garage; 2 July: Great Race concludes in Colorado Springs.

Next Meeting: June 7, ColoRODans club house, 209 Kimbark St., Longmont Colorado. 7:31 pm.

Adjournment: 8:23pm MDT.

Respectfully submitted, Richard Fritz, CCCC secretary
