April, 2024

Newsletter Editor—Chris Dale

PRESIDENT'S REPORT

What a fun way to begin a new chapter of LOOKING GLASS CORVETTE ASSOCIATION! Starting with a terrific potluck and followed by introducing new potential members – Kathy and Rodney Kellett then the GREAT SWEAR IN by past president Joe Parker and the great “guru” John Marsico. You made us laugh and created a special ceremony for us - thank you so much.

**President -Kathy Hall, Vice-president-Sandy Seader, Secretary-Jane Walker
Treasurer-Ken Pfohl, Public Relations-Bob Burroughs**

Some adjustments were made by most of us – Sandy no longer has to take minutes of which she's grateful but now has to write a Vice President's Report for Reflections which will be fun for her...Jane now has to take minutes and sit up front and get a different view of everyone – we were pleasantly surprised by her cute joke at end of meeting – means she's comfortable with new position -Ken wants to make Treasurer's Report less dry and will be interesting to see what he invents and Bob luckily didn't have any change in his position-does a great job. I will miss my sidekick JOE and will have to adjust to more microphone time. We look forward to serving you all and enjoying our many events planned for this new chapter.

Kathy Hall -President

Vice President's Report

Submitted by Sandy Seader

Oh Boy! It's March already and by the time everyone receives this newsletter, it will be Spring which will bring longer days, and more sunshine to take the corvettes out for a drive. It's time to dust off the Corvettes for upcoming festivities!!

March brought in the installation of new officers to the club and I'm very excited to be Vice President to work with the other officers, and all of you to make this club a continued success. Speaking of success, the potluck was great with all the amazing food that was brought by everyone. Thank You all who participated, and a special thank you to the social committee for the Irish decorations.

I'm very excited to begin a new chapter in my life by being able to attend more events the Social Committee has planned. Hope to see all of you there.

HAPPY SPRING EVERYONE!

Sandy

Featuring my first love, that I had for forty-three years. 1973 Corvette Stingray!

Business Meeting Minutes

Submitted by Jane Walker

LOOKING GLASS CORVETTE BUSINESS MEETING MINUTES

MARCH 5, 2024

The meeting was called to order by President Joe Parker at 7:00 pm. Officers present were Joe Parker, president, Vice President Kathy Hall, Secretary Sandy Seader and Bob Burroughs, Public Relations. Bob Chelle, treasurer was not present.

Membership Committee: Susan Wozniak introduced visitors Kathy and Rodney Kellett from Down the Road Corvette Club. Kathy and Rodney are considering joining Looking Glass.

Vote In New Officers: Joe Parker presided over a vote to elect the new board members as a group. The new board was voted in. He announced that the position for merchandise will be filled by Kristelle Nielsen and that money will be included in this year's budget to support the committee.

Installation of new officers: John Marsico presided over the installation of the newly elected board members: Kathy Hall, President; Sandy Seader, Vice President; Jane Walker, Secretary; Ken Pfohl, Treasurer. Bob Burroughs will continue in the position of Public Relations.

Public Relations Officer: Bob Burroughs encouraged members to check out the activities and to be sure to see the photos he posts on Facebook.

Treasurer: Ken Pfohl discussed the current financial statements and presented the proposed 2024 budget. He reported we currently have 79 paid memberships. The motion to accept the proposed 2024 budget was seconded and passed.

Secretary: Jane Walker didn't have anything to report.

Vice President: Sandy Seader mentioned there were 42 that braved the snowy weather and attended the Valentines brunch at Cinzzetti's. The social committee was thanked for all the decorations and the planning of a very successful Valentine's brunch and tonight's Pot Luck that had a festive St. Patrick's Day theme. Club members with March birthdays were recognized. She also reported that the club had donated to the Pulmonary Fibrosis Association in memory of Pat Dulin and Flowers in memory of Carol Tomsick.

President: Kathy Hall announced that the discussion for the selection of this year's charity will be postponed until Roland Tomsick returns next month. Kathy and Bill Hall, Phil Barnes and Tom Robben placed club items in the show case at Emich and hung up our club banner.

Social Committee: Judy Nielson thanked the members for bringing all the delicious food that made the pot luck an enjoyable and tasty event. She reminded members to check the flyers on the back table and to be aware that there could be a "no refund date" for prepaid events unless it is truly an emergency. They are working on finding a location for the Christmas Party.

Be sure to check for upcoming events that will be posted on the Planning Calendar. She ended with a trivia question, a joke and the Irish Blessing.

Car Shows: Phil Barnes announced upcoming car shows. One in particular will be the Warren Tech's 50th anniversary car show April 27. It is free and reminded the club that Steve Culberson's grandfather was one of the founders of Warren Tech. Another special car show is at our sponsors dealership, Emich September 14. When more information about the Concours d'Elegance June 9 is available there will be a sign up for people to help park cars and judge. Check the Planning Calendar for other upcoming car shows.

CCCC: Tom Mansfield reported the dollars they get from clubs helps fund the \$9000 for the lobbyist that helps lobby against bills that would be detrimental to car collectors/owners. They also earn money from the car show in August and merchandise sales. He mentioned that there are currently 26 states that outlaw custom exhausts which is something they will want to lobby against here in Colorado.

Parades: Kathy announced that the 2024 Veterans Day Parade has been moved to City Park. Our club would be allowed to enter 15 cars and could be ask to transport dignitaries. There is a fee of \$150 but Phil Barnes is in negotiations with them. Shirley Salazar inquired about the Memorial Day parade in Commerce City and Sandy Seader said she would look into it. The club plans to participate in the Georgetown Parade July 4.

NCM Ambassador: No report

Refreshments: No report since tonight was the pot luck.

2025 VOTR: No report but Tom Robben said if it is held a great deal of workers will be needed.

Charity Nominations: Currently there are three in consideration: Equus foundation by Kristelle Nielson, Ability Connection Colorado (an early childhood education program) by Phil Barnes and Breckenridge Outdoor Education Center by George Garrison. The club can spend up to \$2000 on charities.

New Business: The next board meeting will be March 19 at 10 am in the Clements center. Emich is updating their website and plans on including information about our club. They will also include a video of our 50th anniversary on their site. To help boost our membership, Emich will provide information about LGCA to people that purchase a corvette. Tony Lombard announced that the Holiday Inn Express is now accepting reservations for the Flatlanders Sterling car show July 5 -6. Rooms will be \$154 per night.

The meeting was adjourned at 8:03 pm.

Respectfully submitted by Jane walker, Secretary

Minutes of 6 March 2024 Meeting

Meeting was held at the Forney Museum of Transportation, 4303 Brighton Blvd., Denver CO.

The meeting was called to order at 7:31 pm MST by President Dick Thompson. 27 member clubs, one individual member and one associate member organization were signed in. Officers present were President Dick Thompson, 1st Vice President Tom Mansfield, 2nd Vice President Calvin Craig, Secretary Dick Fritz, and Treasurer Samantha Baker.

Legislation: The CCCC lobbyist Leo Boyle noted that the Legislature is aware of and concerned about the EPA's designating the Denver Front Range Area in serious violation of the ozone air quality standard but so far the 5 bills dealing with air quality have focused on the oil & gas industry (the bills are HB24-1330, HB24-1338, HB24-1339, SB24-165, and SB24-166). These bills have not yet been heard in committee. It is possible that in committee amendments could be added that will affect car hobbyists so Leo will be attending hearings.

Minutes for the February meeting were accepted as published.

Treasurer's Report: Samantha Baker summarized the balances in the Operating, Government Relations, and Car Show & Swap Meet accounts. The report was approved unanimously.

The concern that the Council's published finances can be seen by non-members was noted. The secretary suggested that the financial information not be published in the meeting minutes. Members emphasized that transparency should be preserved. The financial information will still be reported at meetings and can be requested by contacting the secretary or the treasurer. A motion to not include financial details in the minutes was moved, seconded and called for a vote after discussion. The motion passed by majority vote.

Investing CCCC reserve funds in a CD or Treasury Note. Since interest rates have become significantly improved, it was suggested that part of our reserve funds be invested that way. Part of the reserve funds would remain in liquid form to cover unexpected needs. A motion to research where to move funds to a CD or Treasury Note was moved, seconded, and unanimously approved.

IRS Tax Status: Dick Thompson reported that the IRS has now approved our request for 501 C 7 (Social Organization) tax-free status. We are limited to not more than 35% funds from outside sources.

Tri-State Car Show: Dick Thompson reported that we will have 10 cars from members of CCCC clubs in a booth plus volunteers to promote council membership and attendees at the Airport Show in August

Insurance: We have liability insurance for the Council's events and meetings. It was suggested that we apply for Directors & Organizers (D&O) Insurance for the Council's officers and event organizers. A motion to obtain D&O insurance was moved and seconded, and after discussion was approved by majority vote.

SEMA Show passes: John Ehrlich reported that he has requested information from SEMA about comp passes for the November SEMA Show in Las Vegas. We do not have definitive information at this time (we have gotten 15 passes in recent years) and CCCC members requesting passes should contact him by email at Altechprec@yahoo.com to get on a waiting list.

Gateway Classic Cars Caffeine & Chrome: The CCCC is to be featured at Gateway on Saturday morning April 27th. CCCC will receive \$10 for each vehicle we enter, up to 20 vehicles.

Next Meeting: John Mack reported that CCCC has traditionally held at least one meeting in a southern Colorado location, usually in Colorado Springs. He has contacted the Falcon Police Station but learned that April 3rd has already been reserved, so he has reserved the police station's meeting room for Tuesday, April 2nd. As a result, the next CCCC meeting will be at 7:30 MDT at the Falcon Police Station, 7850 Goddard St., Colorado Springs. This location is just south of I-25 exit 150.

The meeting was adjourned at 8:54 MST.

Respectfully submitted, Richard Fritz, CCCC secretary.
